D. No 3815/28

The Secretary to the Government of Mysore,
Development Department(Supplies),
Bangalore.

Sir,

In forwarding herewith a copy of letter no.97/43-44 dated 17th Novr. 1943 from the Rationing Officer, Mysore City regarding the need for a "City Central Depot" to stock and distribute the rationed commodities to the several sales depots in the City, I have the honour to request you to kindly obtain the sanction of Government for the opening of said Central Depot and the appointment of the marginally noted staff therefor. There does not appear to be any necessity for appointing an extra Deputy Amildar for this purpose as the Assistant Rationing Officer attached to the Office can be in charge of the Depot.

1. One Senior Accountant on Rs.50/- P.M. to supervise the accounts.
2. One Junior Accountant on Rs.40/- P.M. to check the bills and maintain accounts.
3. One Clerk on Rs.30/- P.M.
4. Four Measurers on Rs.15/- P.M. each.
5. Two peons on Rs.11/- P.M. each.

I also request you to kindly obtain the permission of Government to utilise for the proposed Central Depot, the Central Hall in the Exhibition buildings which is now being used for Ration Census work, as it is stated that no other suitable building is available for the purpose. This hall will be convenient from all points of view and will be in the same building as the Rationing Office which is undoubtedly a matter of great convenience.

I have the honour to be,
Sir,
Your most obedient servant,

1. One Deputy Amildar	to be in charge of the Depot.	A thorough inspection of buildings suited to locate the City Central Depot was made. But no suitable building is available. It is proposed to utilise the

Central Hall in the Exhibition buildings (women's section at the time of Dasara Exhibition) which is now being used for Ration Census work for the purpose. This hall will accomodate 8 to 9 thousand bags. It is close to the District Central Depot from where the City Central Depot has to receive stock and also centrally situated in the City. There is also the additional advantage of the Rationing Office being in the same building and thus ensuring effective supervision. I request that the Government may be addressed to kx kindl allow its use for the Central Depot forthwith.

Sanction of Government may also be kindly obtained for the entertainment of the above staff.
